

Position Description

Position Title: Water Aerobics/Group Fitness Instructor

Date: 3/14/2016

The Marsh, a Center for Balance and Fitness, is looking for new Water Aerobics/Group Fitness Instructors. For 31 years, The Marsh has been a leader in mind-body fitness, and we are excited to re-energize our water fitness offerings with new talent! We are seeking instructors for our Aquatics Department.

The Water and Group Fitness classes at The Marsh are at the heart of the vibrant, supportive Marsh community – offering world class instruction and a highly positive impact on the lives of our members and guests. This position is part time and would require teaching scheduled water fitness classes, instructing participants on effective workout methods and preparing appropriate equipment, music, choreography and/or handouts for each class. This position would assist by answering questions and maintaining a positive exercise experience ensuring safety standards are met and policies are adhered to.

We are looking for Aquatic/Group Fitness Instructors with at least one relevant certification, exceptional talent and experience. (Relevant certifications could be through AEA, ACE, AFAA, ACSM, etc.) The applicant must be 18 years of age. They must possess a current Red Cross or American Heart CPR certification.

We look forward to hearing from you!

Equal Opportunity Employer - The Marsh will not discriminate against or harass any employee or applicant for employment because of race, color, creed, religion, national origin, sex, disability, age, marital status, sexual orientation, or status with regard to public assistance or any other legally protected status.

The Marsh, A Center for Balance and Fitness

The Marsh, A Center for Balance and Fitness, is an independent fitness facility situated on the edge of a natural wetland in Minnetonka, Minnesota. Founded on a mind-body philosophy of well-being, The Marsh offers an integrative approach to health by blending practices grounded in Western medicine with safe complementary therapies such as acupuncture, tai chi, meditation and massage therapies. We are home to a medically-based fitness center, lap swimming and warm water therapy pools, group exercise and Pilates studios, full service spa, restaurant, shop, conference rooms, overnight guest rooms and unique meditative spaces. Our popular lecture series features guest speakers from around the world who share similar interests and passions, especially in engaging the community in conversations about health and fitness.
